### Chiselling

The N.R.A. campaign in the United States, if it has not added a ne-weed to the vocabulary of the American people, has at least given a popular and significant meaning to an old word, and has brought that word in every day conversation. It is being used by everybody from President Ross with to the man on the strete corner. The word is "Chisel," "Chilellord States of the Chilellord" in the beautiful and the contraction of the co

g put. In its usually accepted meaning, "Chisel" is the name of an instru

In its usually accepted meaning, "Chiefe" is the name of an instrument, of from or steel used in carpentry, joinery, cabinet work, masonry, sculpture, etc., for paring, hewing, or goughtg. In its shang adaptation it is applied to mean 'to cut close," as in a hargain; in a word, to cheat.

Thus, under the now almost universal NRA. codes in the United States, and the control of th chieffing opportunities, waste of the control of th

are indirecent to the fact that their chissing may result in search and a close and suffering to others.

There is the debtor on the one hand who resorts to every kind of a dodget nan endeavor to escape payment of his just debts, and the creditor on the other hand who takes advantage of the difficulties of his debtors to despoil them for all they have regardless of the fact that those difficulties many be beyond the debtor's control and which to the best of his ability he

Then there are numerous people who "chief in the discharm on the finding and seven that "Try it thoust use the rate and seven the seven that "Try it then there are numerous people who "when it is not the seven that he seven that he seven the seven that he seven the seven that he seven the seven that he seven that he seven the seven that he seven that he seven the seven that he seven the seven that he seven that he seven that he seven that he seven the seven that he seven the seven that he seven the seven that he seven that he seven that he seven the seven

Then there are numerous people who "chisel" in the discharge of their general obligations as citizens. Men and women, for example, who are too indifferent to even take the trubule to cast a bailtit who defaura ill persons active the public welfare; who characterise politics as dirty and corrupt and with the public welfare; who characterise politics as dirty and corrupt and stately assating to raise the standard of public life.

Foundbly such and every one of us is a chiseller in one way or another. Foundbly such and every one of us is a chiseller in one way or another towards may though a said that a seek's to discover just wherein we are chisellers.

chiseliers. Then, there is the other phase of chiselling. The sculptor who takes an uncouth block of wood, stone or marble and chisels away until there emerges a ting of beauty, Such a one is typical of many men and women who are devoting their lives to chiselling away the sortidones, the ugliness, the evil of life. They are engaged in removing the grime that may have accumulated and nurried that which is beautiful and good.

The virial quistion is: What him of a chiceller are you?

Developing New Industry to be developed is the Manitoba loadustry to be developed is the Manitoba load beautiful and the developed and published they found it beautiful and the developed and published they found it beautiful and the developed and published they found it was most one of the developed and published they found it was most of the developed and published they found it was most of the developed and published they found it was many who has been in New York the section of the developed and the developed

### Little Helps For This Week

"My brethern count it all joy when ye fall into diver's temptations, knowing this, that the trying of your faith worketh patience."—James 1:2, 3.

For patience when the rough winds blow, For patience when our hopes are fadblow.
For patience when our hopes are fad-ing,
When visible things all backward go,
And nowhere seems the power of acc-

And nowhere seems the power of aid-ing.
God still enfolds thee with His vi-w-less hand
And leads thee surely to the Father-land.

-N. L. Forthingham.

We have need of patience with others as well as ourselves, with those below and these above us, and with control of the patience with those below and these above us, and with us, and with those who love us not, for the greatest things and for the least, against sudden inroads of trouble and under our daily burdens, dispatient of the season of the bed of the warring of the soult. We need it in the wearings of the body or the wearing of the soult we need it in the wearing the soult we need to schenes, in hereaven, the schene of schenes, in hereaven, the singular patience is the grace of God whereby we endure cell for the love of God.—E. B. Pusey.
